

WorkWise AI

Comprehensive Human Resources Policy Manual

Document Overview: This manual provides a detailed summary of the 24 core HR policies governing WorkWise AI. This document serves as the primary knowledge base for the Semantic RAG Chatbot. Employees are encouraged to use the chatbot for specific queries regarding these guidelines.

Section 1: Talent Acquisition & Growth

HR 01 - Recruitment Policy: Our recruitment framework is built on the principles of transparency and equal opportunity. We utilize a multi-stage selection process involving technical assessments, cultural fit interviews, and executive reviews. The objective is to ensure that every hire aligns with the WorkWise mission and possesses the required competencies for their specific role.

HR 02 - Training & Development: WorkWise invests heavily in the continuous learning of its workforce. We provide access to premium online learning platforms, sponsor external certifications, and conduct monthly "Knowledge Swap" sessions. Development plans are reviewed semi-annually to ensure alignment with both individual career goals and company objectives.

HR 16 - Organizational Development & HR Intervention: This policy focuses on the long-term health of the organization. It involves regular organizational climate surveys, strategic workforce planning, and the implementation of change management frameworks during periods of rapid growth or structural shifts.

HR 17 - Grade, Promotion & Transfer: We maintain a clear 10-tier grading structure. Promotions are merit-based, occurring twice a year following the performance cycle. Transfers between departments or international offices are encouraged to promote cross-functional expertise, provided the employee has completed 12 months in their current role.

Section 2: Employee Engagement & Relations

HR 03 - Grievances & Employee Interaction: We maintain an open-door policy. Employees can voice concerns through a formal grievance portal. All submissions are investigated by a neutral committee within 7 working days, ensuring that every voice is heard without fear of retaliation.

HR 04 - Employee Motivation: Motivation is driven through our "Spot Award" program, peer-to-peer recognition, and quarterly performance bonuses. We believe that recognizing small wins daily is as important as celebrating major project completions.

HR 18 - Sexual Harassment (POSH): WorkWise maintains a strictly zero-tolerance policy regarding sexual harassment. In compliance with the POSH Act, we have an Internal Complaints Committee (ICC) consisting of senior members and an external legal advisor. Annual awareness workshops are mandatory for all staff members.

HR 20 - No Discrimination & Diversity Policy: Diversity is our strength. We do not discriminate based on race, color, religion, gender, sexual orientation, age, or disability. Our recruitment and promotion processes are audited regularly to eliminate unconscious bias and ensure a truly inclusive environment.

Section 3: Operations & Compensation

HR 05 - Travel & Conveyance: Employees traveling for business are eligible for travel class upgrades based on seniority and flight duration. All local conveyance (taxi/parking) is reimbursable upon submission of valid receipts via the internal expense portal.

HR 06 - Leave Policy: Our comprehensive leave package includes 24 days of Annual Leave, 12 days of Sick Leave, and "Well-being Fridays" once a month. Leaves must be applied for at least 48 hours in advance through the HRMS system, except in cases of medical emergencies.

HR 07 - Attendance & Punctuality: While we offer flexible start times between 8:00 AM and 10:30 AM, employees are expected to complete 8 core hours daily. Attendance is logged automatically via the SSO login system. Remote work is permitted for up to 3 days per week with manager approval.

HR 08 - Central Payroll & Compensation: Salaries are processed on the 25th of each month. The structure includes Basic Salary, House Rent Allowance (HRA), Dearness Allowance, and a Flexible Benefit Component (FBC) which allows employees to choose tax-saving instruments.

HR 10 - Statutory Benefits: We ensure 100% compliance with government mandates, including Provident Fund (PF) contributions, Gratuity, and Employee State Insurance (ESI). Regular audits are conducted to ensure that all employee entitlements are secured.

Section 4: Administration & Security

HR 11 - Central Admin Support: The Admin team manages office infrastructure, IT helpdesk support, and cafeteria services. Requests for additional hardware or desk changes must be raised through the "Admin Ticketing Tool."

HR 12 - Asset Insurance: All company assets, including laptops and high-end server equipment, are fully insured. Employees are responsible for the physical safety of their assigned devices; losses due to gross negligence may be subject to a partial recovery of the asset's depreciated value.

HR 13 - Environmental Health & Safety (EHS): WorkWise is committed to a green workspace. We implement waste segregation, energy-efficient lighting, and maintain strict fire safety protocols. Ergonomic assessments of workstations are available upon request to prevent workplace injuries.

HR 15 - Central Legal Support: The legal department oversees all vendor contracts, NDAs, and intellectual property filings. Employees must consult the legal team before signing any documents that represent the company in a legal capacity.

Section 5: Conduct & Accountability

HR 19 - Disciplinary Procedure: Misconduct, including data breaches or unprofessional behavior, is handled via a structured disciplinary process involving a verbal warning, written warning, and potential termination. Serious violations lead to immediate suspension pending inquiry.

HR 21 - Business Ethics & Zero Tolerance: Integrity is non-negotiable. This policy mandates that all employees disclose potential conflicts of interest. Any form of financial fraud or insider trading results in immediate dismissal and legal action.

HR 22 - TNS Values & Ethical Conduct: This policy outlines the "WorkWise Way"—a set of behaviors focusing on radical candor, customer obsession, and extreme ownership. Every employee is an ambassador of these values in every interaction.

HR 23 - Corporate Social Responsibility: We dedicate 2% of our annual profits to community projects. Employees are granted 2 days of "Volunteer Leave" per year to participate in company-sponsored social initiatives.

HR 24 - Anti-Bribery & Corruption: WorkWise prohibits any form of bribery or facilitation payments. Our gift policy strictly limits the value of gifts that can be accepted from vendors, requiring all such instances to be reported to the Compliance Officer.

Section 6: Performance & Exit

HR 14 - Performance Management System (PMS): Our PMS is data-driven, utilizing OKRs (Objectives and Key Results). Performance is tracked via the "WorkWise Performance Dashboard," providing real-time visibility to both employees and managers.

HR 09 - Employee Exit: Upon resignation, a standard notice period of 60 days applies. The exit process includes a technical handover, a "Knowledge Transfer" document, and an exit interview to gather honest feedback for organizational improvement.
